What is the Aramco e-Marketplace?

The Aramco e-Marketplace is an SAP Ariba based tool for Supplier collaboration with Aramco. Suppliers may register, submit supplier questionnaires, update supplier profile (address, contacts, etc.), qualify materials to be supplied to Aramco and receive RFQs and submit proposals.

What is SAP Ariba Network?

SAP Ariba is a leading business to business e-commerce network and it is the gateway to access the Aramco e-Marketplace. Please refer to the SAP Ariba network website for more information.

Who should register on the Aramco e-Marketplace?

All companies interested in supplying materials to Aramco are required to be registered on the Aramco e-Marketplace. There are different registration and qualification processes depending upon your company's location and the type of supplier (manufacturer, distributor, etc.).

Registration is by invitation only. Please see following sections for instructions on registering on the Aramco e-Marketplace.

Please note that application for, or acceptance of supplier registration does not guarantee any business with Aramco.

New Supplier Registration

Navigation screens below will guide you through the new supplier registration process.

Note, the steps below are for suppliers that do not have an existing Aramco Vendor ID.

1. Receive e-mail Invitation

Supplier registration for new suppliers on the Aramco e-Marketplace is by invitation only. Once a Supplier is identified as a potential, an e-mail invitation is sent to start the registration process on the Aramco e-Marketplace. Below is an example of an invitation e-mail.

Register as a supplier with Aramco e-Marketplace

Hello!

Angela Edwards has invited you to register to become a supplier with Aramco e-Marketplace. Start by creating an account with Ariba Network. It's free.

Aramco e-Marketplace uses Ariba Network to manage its sourcing and procurement activities and to collaborate with suppliers. If ASC Test ALM already has an account with Ariba Network, sign in with your username and password.

[Click Here](#) to create account now

Note:

Approved Aramco suppliers with existing vendor ID shall perform the following steps to activate their account on Aramco e-Marketplace.

- Click the above link
- If you have an existing Ariba Network Account, please select **Log in**
- If you are new to the Ariba Network, please select **Sign up**
- Fill in the requested information and then select **Create account and continue**
- Verify basic information such as vendor ID, address, phone number etc.
- Select **Submit entire response**, to activate your account
- After that you will receive notification via email that the account is Registered

2. Click on the link received in the e-mail to see the following screen:

About Ariba Network

The Ariba Network is your entryway to all your Ariba seller solutions. You now have a single location to manage all of your customer relationships and supplier activities regardless of which Ariba solution your customers are using. Once you have completed the registration, you will be able to:

- Respond more efficiently to your customer requests
- Work more quickly with your customers in all stages of workflow approval
- Strengthen your relationships with customers using an Ariba Network solution
- Review pending sourcing events for multiple buyers with one login
- Apply your Company Profile across Ariba Network, Ariba Discovery and Ariba Sourcing activities

Moving to the Ariba Network allows you to log into a single location to manage:

- All your Ariba customer relationships
- All your event actions, tasks and transactions
- Your profile information
- All your registration activities
- Your contact and user administrative tasks

3. If an SAP Ariba network account already exists, use the existing user ID and password to log in. If not, click ‘Sign up’ to start the registration process. Complete the form as shown below and click ‘Create account and continue’.

Aramco Supplier Registration Questionnaire

Navigating the Supplier Questionnaire

The screenshot below shows the landing page for Aramco Supplier Registration Questionnaire. Instructions below explain how to navigate the questionnaire.

1. Questionnaire Timeframe: Suppliers have 180 days to complete their initial registration. If the application is not submitted before the end of the period, the questionnaire will be “Closed”.
2. Click to maximize/minimize the questionnaire.
3. Click to go back to the main network page.
4. Supplier Action Tabs: Following three actions are available.
 - a. Save - Save the questionnaire and resume later. Questionnaire should be saved periodically to avoid losing the completed information. Note, there is no auto-save feature.
 - b. Excel Import - Export the questionnaire as an Excel file.
 - c. Submit Entire Response - Submit the questionnaire for evaluation.

Supplier Registration Questionnaire Sections

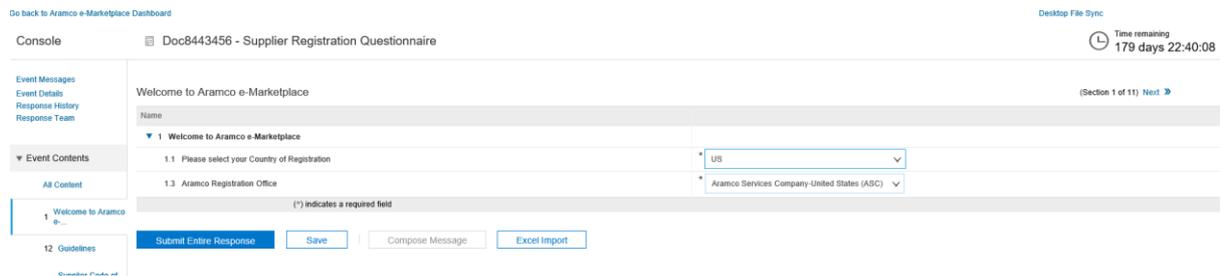

The Supplier Questionnaire contains the following sections:

1. Welcome to Aramco e-Marketplace
2. Guidelines
3. Supplier Code of Conduct
4. Company Details
5. Commercial Requirement
6. Financial Details

- 7. Bank Details
- 8. Addresses & Contacts
- 9. Privacy Notice

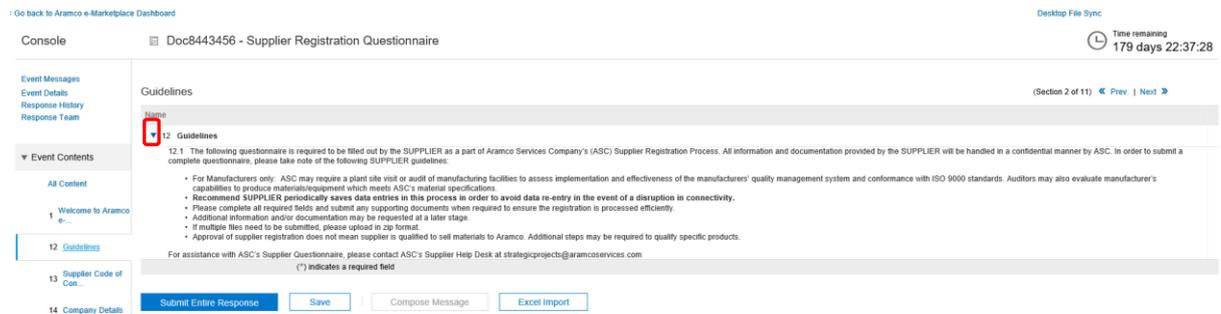

Welcome to Aramco e-Marketplace

Once the supplier selects the appropriate country of registration, one of Aramco’s affiliated offices will be assigned to handle the registration. Aramco offices are only allowed to assist with registration of suppliers located within their respective areas of responsibility.

Guidelines Section

Please read through the general guidelines carefully before filling out the questionnaire. The guideline provides important information that will help in completing the Supplier Registration Questionnaire. Once read, the General Guidelines can be hidden by clicking the blue triangle on the left as shown below.

Aramco Supplier Code of Conduct Section

All registered suppliers are required to have an acknowledged Aramco Supplier Code of Conduct on file with Aramco prior to issuance of any Purchase Order or Contract. Please agree to the guidelines and policies as outlined in Aramco Supplier Code of Conduct.

SAP Ariba Support

SAP Ariba Training and Tutorials

Supplier that do not feel confident with SAP Ariba platform can access SAP Ariba training materials and tutorials online through SAP Ariba Network Portal. The standard training materials and tutorials aim to educate suppliers about SAP Ariba system specifically, but not about Aramco Registration Questionnaire. However, Aramco advises those Suppliers facing difficulty adapting to SAP Ariba to register for SAP Ariba training. SAP Ariba customer support team is also available to assist suppliers in training registration.

Live webinars are available on various topics on how to use the software. You only need to register and select the topic, as per your requirement.

SAP Ariba also provides online video links to guide suppliers on how to access and use following topics:

- Having trouble logging in (forget password)
- Introduction to the dashboard
- Overview of Ariba Network
- Supplier Basics
- Add a new user
- Create a customer contact
- Create a catalog
- Change your account administrator

Online product documentation have technical support guidance, which can be access at: <https://uex.ariba.com/auc/node/6033>

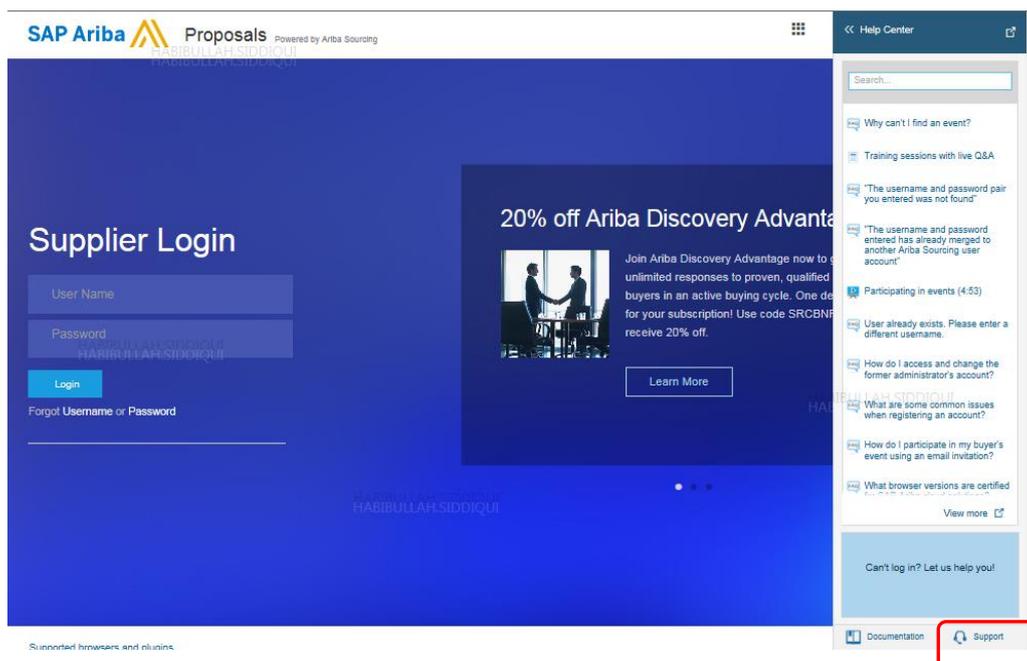

AramcoHelp Desk

Seeking help for business support regarding Aramco Supplier Registration Questionnaire (unclear questions, link not working, expired timeline, and additional information), please contact regional Aramco Registration Office.

SAP Ariba Help Desk

Suppliers connected to the SAP Ariba network can receive technical support within the SAP Ariba network through filling and submitting an online form, or by emailing technical support.

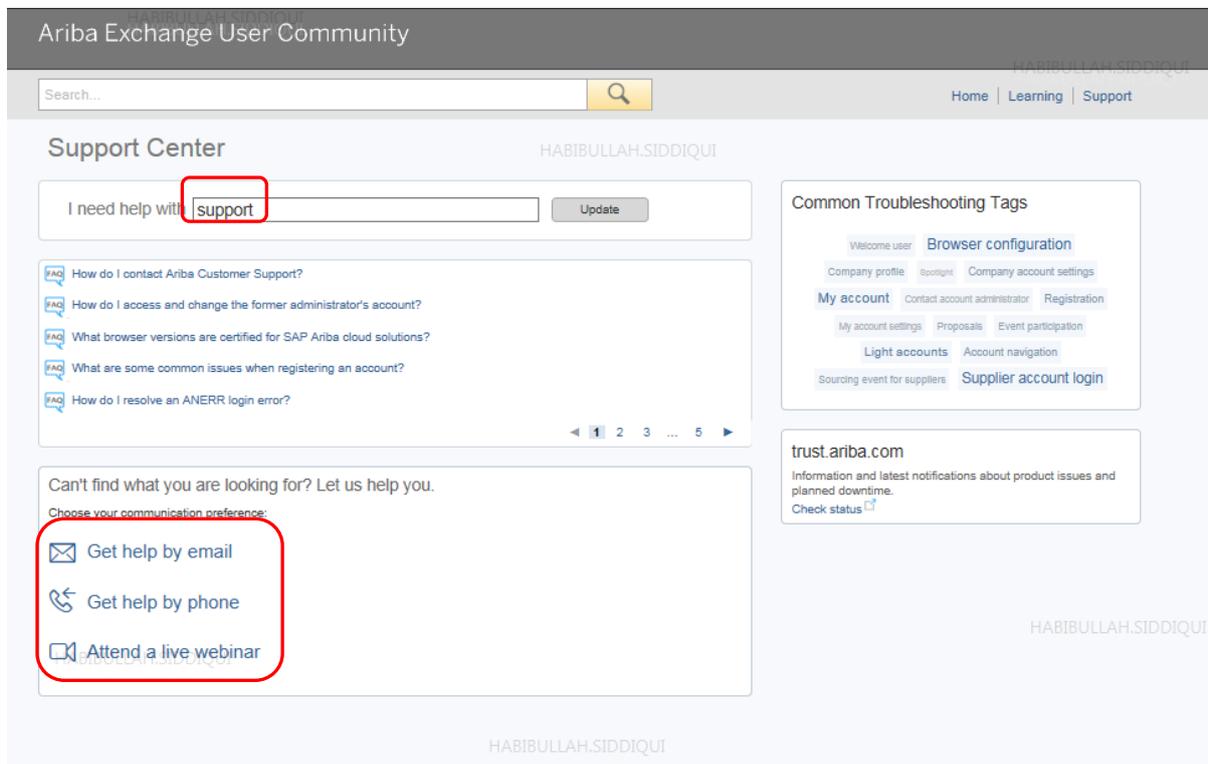

SAP Ariba customer support is there to help suppliers with technical issues such as password reset, SAP Ariba basic training, navigation, etc. Click on “Support” link to contact SAP Ariba Support.

The screenshot shows the SAP Ariba Supplier Login page. The main content area features a 'Supplier Login' section with input fields for 'User Name' and 'Password', a 'Login' button, and a link for 'Forgot Username or Password'. To the right, there is a promotional banner for '20% off Ariba Discovery Advantage' with a 'Learn More' button. A 'Help Center' sidebar is open on the right side, displaying a search bar and a list of help topics such as 'Why can't I find an event?', 'Training sessions with live Q&A', and 'The username and password pair you entered was not found'. At the bottom of the sidebar, there are buttons for 'Documentation' and 'Support', with the 'Support' button highlighted by a red rectangle.

SAP Ariba Customer support is available by email or phone. Type “Support” in the search bar and the three options will appear:

- Get help by email
- Get help by phone
- Attend a live webinar
